

## 29<sup>TH</sup> CLINICAL INFECTION & PUBLIC HEALTH FORUM – SHARING SESSION ON MANAGEMENT OF MALARIA

Under the sponsorship of the Hospital Authority Infectious Disease Control Training Centre (HA IDCTC), a delegation of 8 doctors attended a training programme on Management of Malaria at the Faculty of Tropical Medicine, Mahidol University, Bangkok, Thailand in September 2007. The feedback on the training programme was highly positive, and the members considered the delegation very fruitful. To ensure that more colleagues can benefit from the delegation, the IDCTC has invited some of the members to share their learning and experience at the following forum:
